Is Adoption Right For You?

**We offer a full array of services for birth
parents choosing adoption for their child.**

For Biological Parents

At Heart of Adoptions, Inc., our goal is to provide the information you need to make decisions that are right for you and your child. If you are faced with an unplanned pregnancy and need assistance exploring your options, we can help. Our experienced casework staff will help you understand how the adoption process works and the options available to you.

We want to help you turn a difficult decision into a positive experience. Your adoption plan should be based on your desires for your child, and should also take into consideration your needs. We develop an individualized adoption plan for every expectant parent.

A difficult decision can become a positive experience

Choose the Adoptive Family

You are free to choose the perfect family to raise your child from our vast selection of adoptive family profiles. No matter what type of family you dream of, we will be able to help find them!

Getting Started

We are available by phone or e-mail 24 hours a day, 7 days a week. One of our experienced caseworkers will be happy to help you explore your options with confidentiality and respect. If you choose adoption, we'll be there to support you every step of the way.

Medical Care Options

We encourage all birth mothers to obtain consistent prenatal care for themselves and their baby. We can help you obtain medical care at no cost to you.

Attorney Fees and Legal Expenses

All legal arrangements will be made by the agency and paid for by the adoptive family.

Living Expenses Available

Based on your particular situation, you may be eligible to receive living expenses assistance. Types of assistance available may include housing, transportation, food, and maternity clothing.

Counseling Services Available

We want you to be comfortable with your decisions. Counseling services can be made available at no cost to you throughout your pregnancy and after placement of your child.

Heart of Adoptions, Inc. is a licensed, private adoption agency designed to help create families through adoption. We are committed to working with birth parents to find their children a forever home.
